

Hello everyone, my name's Jason ..

My journey [to this work] REALLY began with an offensive commercial I seen on TV one day .. claiming there was [yet] "another testament of Jesus Christ!?!" (the book of Mormon) .. soo I did an investigation .. & was convinced [of it's truthfulness] .. by the time I got to Moroni 10:4-5 .. here's my story: (for those who may be interested)

My pre-story

I guess I should give a basic overview of my life [so people can better understand the person I've developed into today] which lead me to encountering the Marvelous Work & a Wonder & supporting the Humanity Party & me accepting the challenge that encountering a "True Messenger" would present to my life.

Challenge defined as: (the situation of being faced with) something that needs great mental or physical effort in order to be done successfully and therefore tests a person's ability.

I'll tryn keep this just as simple as I possibly can 😊

I'll start off with stating that I was born into a really good situation [according to my perspective], there were no money problems or fighting that I can recall & I had a great deal of free-will, we weren't rich but my home was my safe place of comfort & refuge, we moved only once .. [throughout my childhood] .. which was an improvement .. (in my opinion) so i had an [even better] living environment to explore with my free-will, but .. I was the dorky [emotionally unstable around others] shy kid in school who didn't really have any friends, I clinged to the walls transitioning from class to class hoping not to be noticed & was terrified in choosing a seat on the bus & finding a group of people [that would accept me] to sit by in the lunch room. But this all changed considerably when I got my first sports car & starting driving myself to school - this is where I felt [amazingly] secure & comforted .. whenever I was behind the wheel of my car - but only when I was in my car - I got into 🎧 bass car audio systems 🎧 as well .. the louder the better.

Here's me .. with my 1976 Plymouth Roadrunner 318 .. V8 [mopar] with a racing cam & headers .. that sounded really mean! (when revved up) .. but was actually quite gutless .. (when attempting to squeal the tires .. & take off) .. 🤪 .. I had the entire back seat converted into a HUGE (custom designed) speaker box at one point .. made it myself .. 😊 .. the greatest of which consist of two - 15" JBL audio subwoofers .. & a Rockford fosgate punch 150 amp ..

[View here](#) (who I WAS)

My loud music & the rumbling vibration of my thumping subwoofers .. was my emotional escape - and eventually escalated from dirty rap music to the kind that contained "a good message" [according to my perspective] .. Holy Hip Hop - Christian rap - "taking the gospel message to the streets!" - ahh what a thrill that was!! (more on my religious upbringing below)

[View here](#) (who I BECAME)

My dads Loving .. but he's the type to complain alot & give you a lecture [if you ever approached him asking for money n such] .. so I've always went to my mother with life's issues & problems [and she would ALWAYS get my dad on board with whatever I'd requested & been in need of] - there both amazing people - I've always had them to bail me out of difficult life situations and I've always had a safe place of refuge [to return to] if my life ever crumbled & fell apart. .. they've ALWAYS been there for me .. in [mostly] ALL - ways ..

They've helped me with.. car repairs..

When I've been stranded & needed a ride..

When I've needed to borrow a car..

When I needed to finance a car..

With affordable car insurance..

When I've been late on my rent & utilities..

When I've needed a down payment on a house

**\*\*With my autistic daughter\*\***

[I can't express this enough]

When I've needed food.. & clothing..

When I've needed furniture & appliances..

When my family's been hospitalized & ill..

They've watched my other two kids [As I've had the need]

I've been given lawnmowers, tools / equipment

College was free (for me) .. because my parents both worked at one ..

I was even given a key to my parent's cabin..

Sounds awesome doesn't it?, but it doesn't stop there .. My grandparents [from my mothers side] .. their home & the entire life experience I had back then [which was always the same country home .. because they never moved] .. was the 👑 crowning 👑 event of my life, my HEAVEN - (when it comes to being spoiled rotten, childhood freedoms .. having no chores, feeling safe & secure .. & being showered with love & affection) .. I declared in my heart at one point: "truly the walls of this house must be saturated with love" & I'll forever compare EVERYTHING to this experience ..

[View here](#)

.. therefore .. I believe I've already experienced [the potential] of what the Humanity Party has to offer the ENTIRE world - I've had a Plentiful satisfying life.

My grandpa [the one I mentioned above] was an extremely significant portion of my life, he wasn't blood relation, he came from the Netherlands as a young boy .. later to marry my grandma [who was the silent type] & to adopt my mother & her brother.

[View here](#)

He was a foreigner .. a complete stranger ..

My grandpa meant EVERYTHING to me ..

Who's considered "family" perplexes me now ..

[I could very easily consider us all God's family]

.. I've had few friends during my lifetime. [and I've been starting to realize lately that I may need to gain a few] - because I can already foresee .. losing my support system .. that I currently have - [to death] Which primarily consists of just two people .. my mom & dad .. truly MY PARENTS have been "my ever present help in times of trouble" (that I've had no need to fear) .. yet while others are lacking still, seems rather unfair [to others] doesn't it??

but I've come to realize that [the implementation of] [www.humanityparty.com](http://www.humanityparty.com) COULD help to fill this void .. 🙄

When I was a kid, A few kids down the road from my parents house would often times pester me to play sports with them [but I wasn't any good & didn't wanna join .. because I HATED sports] .. playing Dungeons & Dragons [with them] was alot of fun, but we never associated during school - my dad got me my first video game system, an Atari 2600 & YZ80 motorcycle .. to zoom around in...

(some "friends" stole them from me & others zoomed around & played them with me) .. I built tree forts with others & eventually [after we moved to my parents current house] I had wide open fields to venture into & explore, just like I did when I was at my grandpa's house.

I never did any drugs, nor smoked, nor drank .. or anything like that .. [nor felt the need to .. aside from wanting to "look cool" & be accepted by others] .. but a friend must have thought that I was missing out on something .. because he wanted to change that about me .. so he invited me over one day .. declared .."you only live once!!" & got me drunk .. well .. what can I say? .. that sucked shit! .. my head was spinning, I puked & thought I was dieing .. 🤮 🤢 .. 🤦

My dad's passion has always been deer hunting .. & I've eaten venison my whole life [but he's never pushed it upon me] .. my mom's thing has always been daylilies. .. she would sometimes hire me to move wood chips to earn some money for another video game (25¢ a wheelbarrow

full! wow!) 😊, she paid me in advance once .. and I lost my desire to labor .. because I already had my reward.. she wouldn't do that again.. we look back and laugh about that now .. 🙄 ..

I was raised in a lax Christian reformed environment, there was really only one rule that I can recall [to not shop on Sundays - causing others to labor on the Sabbath - in violation of Exodus 20:9-11], but that eventually dissipated - where I was given an even greater amount of free-will - I remember [being awake .. but keeping myself real quiet] hoping my parents would sleep in on Sunday mornings, [thinking even more school on the weekends? .. HELL NO!! 🙄 ] .. but all together, church would become yet another safe place of comfort & refuge - [a place of slumber - according to my perspective] - a place of comfort & refuge when facing an inevitable death & an eternal non-existence [when there's no where else to turn .. for hope], tithing n such wasn't expected .. [2Corinthians 9:7 KJV was oftentimes quoted] but my mother started pressing me to make my confession of faith at some point .. in my teens? [because she was worried about my eternal salvation - I believe] .. I wanted to, but I was way too shy & had no desire to stand before the entire congregation - but I eventually gave in & did it .. i did it for her.

[View here](#)

later in my life the "lax" part of the whole church thing got me seriously concerned for those scriptures that mentioned that "only a few would be saved" .. Jesus words spoke to my heart when he answered for us to STRIVE to enter through the narrow gate .. "for many, I say unto you, will seek to enter in, and shall not be able"

The passage [mentioned above] starts off with someone asking Jesus, "Lord, are only a few people going to be saved?" [this is where] He had instructed us ..

"to make a great effort to achieve & obtain salvation, struggle & fight vigorously for it"

see pic below depicting "STRIVE"

[Luke 13:24, see also Matthew 7:13-14

**“Strive to enter  
through the narrow  
door. For many, I tell  
you, will seek to enter  
and will not be able”  
Luke 13:24**

.. note the sweat 💧 glistening from this man's body .. note its contrast to "grace" .. "the love and mercy given to us by God .. because God desired us to have it, not necessarily because of anything we have done to earn it" .. when Jesus [himself] had instructed us "TO STRIVE" .. hmmm

.. but anyways

.. this is where my "Holy Hip Hop / Christian Rap" contained that extra "kick" .. the Bass of my music [and lyrics of the words] would send shivers down my spine; enthralling me - with a "high in the Holy Spirit" .. motivating me to go the extra distance: e.g. .. Lecrae's song "go hard!!" .. motivated me to take Jesus's teachings seriously, p.s. remember what I've implied above? .. were traditional church music was "soothing" & caused a desire for me to slumber? .. 😴😴😴 .. well ..

To reiterate [what I've written above], consider the difference in these two songs:

[View here](#) 🛌 slumber 🛌

[View here](#) .. motivation to act

So now I'm motivated to do something .. but I've [emotionally] transitioned quite a few times in this life - in what I've considered "the Lord's work" to be .. at one point I was convinced [by God?] to invest alot of money into a virtual world - [\$2 - \$3K over the period of a few years] I had "a virtual ministry", where I've built a virtual Holy Hip hop church & club - which appeared to be the perfect avenue .. for a guy like me .. because [I wasn't rich &] it didn't cost too much to make this happen in comparison to owning a real life ministry. [e.g. collecting pop bottles was sufficient] .. \$30 would get you an entire beach island resort! .. how's that for a land-base? 😊

Because the Christian reformed church was lax & had no prophets .. the entire concept of "a prophet" [one who purifies as silver & Gold] thrilled me to the core .. so I started searching the internet, I started listening to guys like TD Jakes .. I would play his sermons & my Holy Hip Hop music on my virtual TV's .. in my virtual church, although I never felt confident [intelligent] enough to "preach" myself.. [while virtual] interestingly enough.

Note: there was a different time in my life where I felt the Lord could speak through me & I made short youtube audios stating: "these are not my words but his alone" 🙄

(My club .. "club crossover" 3:19 - 3:52)

(LIVE4HIM (me) .. on the left @ 1:18)

.. the title "club crossover" signified crossing over from one kind of rap music to another, .. from the kind that instills lust & greed to the kind that glorifies God & promotes his message .. but ..

.. my time invested & a few [off track .. chosen] social interactions with other women .. that were rather "lustful" .. conflicted with my marriage .. soo ..

.. later on .. after battling through a great deal of self-conflict .. [& being confronted with a few different scriptures such as Matthew 5:27-30] a sacrifice was made .. for the sake of my wife .. I conceded [to what I felt was best] .. for us both? .. I gave this "calling" up .. [was the very first time I've EVER told God that I wouldn't do what I felt called to do] .. which tore me up inside (I felt lost) .. It crushed me, I had a fit of rage .. I recall smashing my laptop over my knee [at some point] .. in an [emotionally distraught] effort to battle off my "online" obsession .. but [as a result] I did end up finding a real life Holy Hip Hop church that seemed to align with my emotions .. ya .. I felt the spirit there .. (e.g. I got re-baptised in a big tub of water .. full body submerged .. like never before) but I never seemed to be able to "find my place" with that group. (e.g. I tried to get them to play one of my favorite songs on one occasion .. & they did it reluctantly .. after everyone had already left)

(Holy Hip Hop Church in Grand Rapids, MI)

Yeah, the second portion of my life .. (which was equally as important to me as the first) presented me with "the challenge" .. [to my free-will, character/demeanor] .. to the furthest extent .. (of me being genuine) .. to me [even] gaining control over my (own) eyes & the (lustful) thoughts of my (own) brain [View here](#) .. was such a thing even possible?? .. I wasn't sure, but I was determined to find out & it all started with me tryin to make my marriage work .. & laboring for money to pay bills [not working for play toys any longer] .. then my autistic daughter came into the picture .. [which started consuming all of my time & energy which secluded me from the entire world] .. this is where (for good cause .. by God's doing?) I became a bit of a hermit .. along with me tryn to make some time for my other two children .. which I haven't had a problem with & I've committed myself to [as my desire of happiness] .. no matter [what] the outcome [will be/has been] .. [separation / divorce n such] .. I've considered this all to be "preparation" .. for me to meet the challenge of my encounter with the Marvelous Work & a Wonders True Messenger .. Chris

My Burger King story

Work & employment + the Humanity Party .. what it means to me .. my perspective .. given the life situation I was born into .. & why I've been Soo incredibly fanatical about the entire concept of [everyone] being provided with "free basic necessities" from birth till death:

[www.humanityparty.com](http://www.humanityparty.com)

Its simple really, .. when I was 14 [and was living with my parents, i had all my basic necessities provided by them] I got my first job working at Burger King **\*\*by my own free-willed choice\*\***.. my motive to work .. was [simply] my desire for "play toys", .. because my parents never charged me anything to [continue] living with them [**\*\*see note below\*\***] .. my entire pay check went solely to my desire of happiness.. "toys".. this was [one of] the happiest times in my life that I can remember .. but .. since I made the free-willed choice to move out? .. and been necessitated to work [by paying my own way] I really could care less when PayDay is now, .. because I don't get to keep any of it anyways.. [it all goes to bills] I HATE working now for this reason,.. of course the implementation of the humanity party [providing everyone's basic necessities from birth till death] would restore my child like happiness, sounds like a perfect plan to me 😊

**\*\*Note\*\*** I later found out [from chatting with my father] .. that it was HIS personal life experience [from HIS youth] that had impacted MINE, because when he got his first job & started working .. his parents raided his money jar [whenever they were in desperate need] & he wanted my life experience to be much different than his.

**Wow shocker. I hate my  
fucking job. I'm unhappy  
but I can pay my bills.  
Fucking woooopee I live to  
pay bills. I don't live, I'm a  
fucking bill paying robot.**

## **My autistic daughter**

I can attest to the following, because I have a severely autistic daughter.

[See HR 13:33, 16:52 below]

[HR 16:7] WE ARE PROVIDED REAL EXAMPLES OF OUR HUMANITY'S POTENTIAL

Another example that has been allowed in our imperfect world, so that we can understand the phenomena of the power of the essence [where our true humanity is stored] and how it motivates our actions, is in the case of individuals with Down syndrome.

These people have been given specific physical bodies that appear more similar in nature than any other human body other than identical twins. Our creators specifically engineered this type of body for an important purpose. They made the Down syndrome brain in such a way that the emotions of these individuals are more affected by the power of their essence than those of the “normal” imperfect brain.

In other words, the “veil” is a little bit thinner in the head of a Down syndrome person. It is rare, if not impossible, to find a Down syndrome person who judges others, exhibits bigotry, possesses prejudice, or in any other way uses his or her individual free will to affect the free will of another. Of all of the people upon the earth, Down syndrome people are the most satisfied with their environment. Their nature is more like our perfect nature than any other human example given in an imperfect world.

They do not seem to contribute to our world, as they have no incentive to gain knowledge, money, possessions, or any other item of “success” that most of us have placed value upon and continually desire. If they do desire any of these things, it is because the conditioning is forced upon them throughout their life. This conditioning is not natural for them, but must be patiently reinforced in them over their lifetime, which is generally much shorter than the average mortal. Nevertheless, the desire for anything a normal human being desires from the world is not part of their true human nature.

These types of individuals do not seem to add to our society in an imperfect world—but in reality, they are truer to their foundationalized humanity type than the rest of us. They are the most humane people that exist. Their mental abnormality allows the energy levels of their essence (where our true humanity is stored) to have greater influence over their actions. Although they are inhibited in their desire for worldly things, they do desire what all of us do: to be valued, accepted, and respected. They want to be loved.

These abnormal body types are a part of our education and probation upon this earth. They demonstrate the potential of a human being by showing how it is possible to respond to and treat one another. They provide us with an example of what we could become if we learned to adjust our actions to be more in line with our essence. We are not Down syndrome and do not act like them. Our imperfect world won't allow us to act like them. If we did, we would not be able to take care of ourselves and our basic human needs. Ironically and for good purpose, we have an example of how to act in a world where we can't act the way that we should.

[HR 16:7] human reality book

-----

The communications that go on inside of our heads and which often appear to be coming from another source outside of us are simply our imperfect brain being affected by the energy emissions of our essence. As explained previously, some of our brains are constructed differently than others, therefore allowing some of us to utilize the essence differently than others.

We have discussed how this occurs in those whom we have labeled “mentally challenged,” such as savants and autistic people. [HR 13:33]

"As discussed previously, some abnormal imperfect brains are capable of tapping into the power of the essence (savants, autistics)" [HR 16:52]

My daughter's 22 now.. but she's forever.. "as a little child".. she speaks few words [She doesn't give her opinion, contend with others, argue & debate with anyone] she has no concept of time, money .. or the need to wear bling/fine apparel, she enjoys watching cartoons (spongebob), eating food & candy, collecting stuffed animals & miniatures.. her DAILY ROUTINES are ABSOLUTELY ESSENTIAL to her.

The right pair of shoes in these pics are her preference & desire of happiness, the left pair [which is nearly identical] was our effort to replace them .. although she'd settle for no other 🙄

Her world's quite a lovely place to visit whenever she's not been raging in violence .. [because her daily routines have gotten compromised .. in one way or another] .. HER WORDS ARE FEW .. (which mostly consists of having us repeat the names of animals, food brands as well as spelling them out & counting) she loves and accepts everyone equally regardless of ideology, religion, political view, race, gender, sexuality, geographical origin, etc.

How my mind's perceived this:

.. And Jesus called [the epitome of an aged little child] unto him, and set [those with mental disabilities] in the midst of them .. And said, Verily I say unto you, Except ye be converted, and become [as these], ye shall not enter into the kingdom of heaven. [Compare to Matthew 18:2-3]

disclaimer: my intent in sharing the following IS NOT TO HURT PEOPLE [as I've been hurt], but IS TO SHARE MY EXPERIENCE & to introduce the curious inquirer [of my life / Real Truth] to THE SOLUTION TO THIS WORLDS PROBLEMS. You see I dream the impossible dream & hope the impossible hope, I can't help it [It's where I find my happiness] soo.. If the following continues to hurt people & accomplish nothing good? well then I'll restore our mutual peace in blocking the offended from viewing my profile.

I find no peace in hurting people.

I find no peace in disrupting people's lives, by violating their freewill to believe & hope in whatever they want. [Their version of Truth] .."according to each person .. as an individual's desire of happiness"

But [for the time being at least] ..

if you've stumbled across this.. & your reading, then your probably one of the very few people who actually knows me (to some extent), and your curious how I've been doing.. or what I've been up to.. what my hobbies and passions are perhaps?.. well, that's what others post about in assumption that others would care to know.

I [personally] will assume that [only] those who KNOW ME [or want to get to know me] are going to value what I share or at least be willing to take the time to consider what I have to say; so I'm not going to bother anyone who doesn't seek out & view my profile page.

[ [View here](#) ]

if you're still reading & one of these curious individuals.. no worries, I've been doing ok.. I'm stable.. I'm healthy. I'm fed, I have a job, a place to live, clothes to wear, a car to drive, I (for the time being at-least) still have those who value my life and support me.. (physically & emotionally), I have all my basic necessities.. so I've been doing ok.

But socially?.. I've withdrawn, I've been distancing myself from [being more actively involved with] social media & everything else for that matter since [after] my encounter with "a work".. a work that's transformed my entire life.. eventually turning it completely upside down.. & cutting me to the \*VERY CORE\* [which interestingly enough was something that WAS IN ACCORDANCE with my desires of happiness] In fulfilment of Zechariah 13:9.. among other scriptures

My favorite song & cognitive paradigm [thinking pattern] at the time of my encounter:

[View here](#) [alternate link below]

[View here](#)

\*core lyric\* being: "the refining of my soul however severe" so I warmly welcomed any given challenge to my character/demeanor.

Accordingly [in a way that's appropriate for a particular circumstance] "the work" I've encountered utilized "scripture given by inspiration of God, that I found profitable for doctrine, for reproofing, for correction, for instruction in righteousness: That the man of God [Jason] may be perfect, thoroughly furnished unto all good works" ..so [without any hesitation] my initial response was quite forthcoming & bold: "BRING IT (ON)!!!"

[see 2 Timothy 3:16-17]

In summary: "this work" [most effectively] deals with [counters] "religion".. it detrimentally impacts emotion because it entails "REAL TRUTH" in it's solution to all the world's problems.

Soo.. if I were to write & participate in social media?.. well, quite honestly.. I can't think of ANYTHING ELSE [of greater worth] that I'd rather write about than this work.

---

[as quoted from the source]

"We recognize that there are very few who follow our work. Our work is not an easy thing for most people to accept. Our work opposes most of the things that give people their personal value and purpose in life"

"Our work presents the Real Truth as things as they really are and things as they really happened in the past. Because the things that we present often contradict the "truths" that most people accept as "their" truths, convincing a person that our Real Truth is better and of more worth than theirs is often quite difficult" -RI

---

.. I've desired to share MY perspective.

..I was raised in Christianity.. \*MY CORE PASSION\* has been "eternity" .. I value those things which last forever.. "fleeting carnal things" that inevitably rot & deteriorate?.. not so much, so I've had my head in the clouds & I've been preoccupied, I've been meditating upon the scriptures day & night. [Psalm 1:1-3, Joshua 1:8, Deuteronomy 6:6-9, 11:18-21]

■ Scripture: "If ye then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God. Set your affection on things above, not on things on the earth. For ye are dead, and your life is hid with Christ in God" [Colossians 3:1-3 .. see also Matthew 6:19-21] therefore.. "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me" [Galatians 2:20]

"life is short.. and soon will pass.. only what's been done for Christ shall last" ..those who are closest to me will recognize this saying & know where I got it from & how it was said to me.. in repetition.. & by whom.. [of extreme significance..] that it became an essential \*CORE PORTION OF WHO I AM TODAY\* .. which stems from a network of [other] valued relationships, with Christ/God being at the center of them all. [Therefore "My CORE" could (also) be expressed in one simple word "RELATIONSHIPS"] .. & the memories thereof .. (my grandpa's death solidified this Saying)

■ Scripture: Then said [Jason] unto [Christ], What shall we do, that we might work the works of God?

Jesus answered and said unto [Jason], This is the work of God, that ye believe on him whom he hath sent. [See John 6:28-29] .. Jesus elaborates: Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father. [John 14:12]

■ Scripture: "And [Jason] said to them [family, friends, acquaintances.. my employer] .. [whenever I've been distracted], "Why did you seek Me? [& disrupt my focus] Did you not know that I must be about My Father's business?" [see Luke 2:49]

..So It's been my life long mission (since I've been indoctrinated in Christianity.. from my youth) to determine exactly what "the Father's [Jesus's] work" is??..

..A life long mission that inevitably lead me to the work I've encountered "a Marvelous Work and a Wonder®" (MVAW)..which was originally "a work" that spoke to the religious minded.. it was [originally] a religious website that was able to explain for me.. "The Fullness of the everlasting Gospel of Jesus Christ" (3 Nephi Chapters 12, 13, 14 & Matthew Chapters 5, 6, 7) "in word & in speech" .. better than anyone else ever could've.. I was thrilled!! .. I was dumbfounded.. I was convinced.. it won me over hands down. [the Link redirects you to the RI's webpage now]

[www.marvelousworkandawonder.com](http://www.marvelousworkandawonder.com)

The title "a Marvelous Work and a Wonder®" was purposely taken from Isaiah 29:13-14

■ Scripture: "Forasmuch as this people draw near me with their mouth, and with their lips do honour me, but have removed their heart far from me, and their fear toward me is taught by the precept of men: Therefore, behold, I will proceed to do a marvellous work among this people, even a marvellous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid" [ ■ see also 2 Nephi 27:25-26]

■ Isaiah 28:9-11 has also been referenced..

9 Whom shall he teach knowledge? and whom shall he make to understand doctrine? them that are weaned from the milk, and drawn from the breasts.

10 For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little:

11 For with stammering lips and another tongue will he speak to this people.

.."the work" originally consisted of a series of books that were free to download (they share a common message), each spoke to the individual.. (at their level) all depending upon the reader's upbringing. Because I was raised in Christianity... & became rather obsessed with the teachings of Jesus Christ as they are found in the Bible, and was entertaining the Book of Mormon at the time (another testament of Jesus Christ).. its sealed portion (the final testament of Jesus Christ) was the very first book that captured my interest/made its way past my cognitive filters\*.

Bound copies could (can) be obtained through Pearlpublishing.net.

\*cognitive filters are Biases that influence a person to selectively accept or reject ideas and impressions on the basis of their conformance with the currently held assumptions and beliefs. In situations of uncertainty, these biases tend to create a feeling of certainty that is higher than what the circumstances warrant.

#1 "in word & in tongue" being the mwaw's vocal/lyrical efforts. [In accordance with my perception]

#2 "in deed & in truth".. the implementation of the Humanity Party® & the support thereof.. [tis how my hearts assured before him "I'm of the Truth"]

Despite my convictions.. [& amazement] the religious minded of this world have rejected & ignored all of the Marvelous Work and a Wonders efforts.. to reach the religious.. the ONLY WAY a religious person can be reached.. "through religion/scriptures", so [by necessity] the web site evolved.. (the religious underpinnings were taken out).. a full disclosure of "REAL TRUTH" was their only last option.. (to save this world) which entails an entirely new series of books..

there's no question about it.. the "REAL TRUTH" cuts us hard & deep.. (yet it hasn't left us completely hopeless concerning "eternity") ex. .."the kingdom of God's within".. according to the mwaw.. we are still eternal beings, but one's whom are having a mortal incarnate dream experience.. which is an acceptable notion, that I've received as an alternative hope.. (in death) to what I've been raised to believe in.

---

Briefly.. the alternative hope is this: [as quoted from the source]

"Humans are advanced life forms—the greatest possible compendium of physical matter. The mortal experience upon Earth is nothing more or less than a dream state occurring in the mind of each of our advanced Selves"

"Upon birth, an advanced human chooses to make a virtual connection to the brain of an infant, whose physical earthly body was created through the current process of human sexual reproduction. When the earthly body deteriorates, or dies by any other means (sickness, accident, death by nature, homicide), the virtual connection between the advanced person and their chosen mortal avatar is terminated"

"Upon death, the advanced person becomes immediately aware that the entirety of their mortal experience was nothing more or less than just a dream" -RI

for just a bit of clarification (before I continue), the mwaw elaborates upon the following three scriptures hoping to convince the religious minded of this world that we (each) individually have a "kingdom of God that's within":

■ Scripture: And when he [Jesus] was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, The kingdom of God cometh not with observation: Neither shall they say, Lo here! or, lo there! for, behold THE KINGDOM OF GOD IS WITHIN YOU. [Luke 17:20-21]

■ Scripture:. Jesus answered them, Many good works have I shewed you from my Father; for which of those works do ye stone me? The Jews answered him, saying, For a good work we stone thee not; but for blasphemy; and because that thou, being a man, makest thyself God. Jesus answered them, Is it not written in your law, I SAID, YE ARE GODS? [John 10:32-34]

■ Scripture: I HAVE SAID, YE ARE GODS; and all of you are children of the most High.

[Psalm 82:6] .. you were created " .. in our image, after our likeness"

[ ■ See Genesis 1:26-28]

-----

"Before I formed thee in the belly I knew thee" .. [Jeremiah 1:5] .. but how?? ..

-----

As quoted from the source:

One example of how much humans do not know, yet how easy the Real Truth™ can be in answering questions, is in the logical and honest answer to this statement:

"If I continue to exist as a conscious person after my mortal life upon the earth ends, then that post-mortal conscious person **MUST BE, HAS TO BE**, the same conscious person I was before I began the Earth experience"

"This single statement destroys all of religion's answers"

"Most religions teach that, when you die, you continue to live as the person you were while living on Earth; that you will continue to look like your mortal parents, those from whose DNA your physical appearance was created"

"If this were true, it would be a sad reality for most of Earth's inhabitants, because of the fact that most people are not specifically or particularly a good example of human beauty. This would be greatly unfair to the majority"

"And if God created you as a spirit image, in God's image, then your post-mortal physical appearance **MUST BE, HAS TO BE**, the image in which God created you in the first place ... not in the image that you inherited from mortal DNA" -RI

-----

.. anyways.. moving past the [mortal incarnate dream] internal/external God debate, because the same basic principals "of human goodness" applies either way..

..this work **DESTROYS ALL FORMS** of prejudice.

....it destroys our "pride & ego", it challenges where we've been finding our "worth, value & purpose" in life. [..it eradicates religion & belittles the worth found in mortal (dream avatar) relations]

.. Christianity balanced my emotions.

Soo for my own sanity's sake.. after being cut Soo deeply (and for the sake of those who are close to me.. those who value my thoughts & opinions), I've taken some time away from all social interactions.. to find my balance & get my emotions back under control & to put some serious thought into determining my next course of action.. in how I desire to impact the lives (and emotions) of all those around me.. who are all extremely religious [minded].

..I'm healing.

..I've followed the mwaw in secret.

..I've desired to protect others from hurting.

a common courtesy (or general rule of human decency) I've learned through this work.. is to support others in their current beliefs, whatever they might be, despite our own beliefs.. unless of course someone were to ask our opinion. ex. (as it's been taught to us) "doing unto others.. as THEY would have us do unto them" ..in conjunction with "loving YOURSELF with all your heart, mind, might & strength.. & loving your neighbor as yourself"

If we had the original Greek (according to the mwaw), Jesus' words would be properly translated as such:

"Do not do to others that which would anger you if others did it to you."

Which is a slightly [corrected] variation from the following two scriptures.. (as there found written in the bible) .."thysel" emphasized.

■ Scripture: "Therefore all things whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets" [Matthew 7:12]

■ Scripture: "Then one of them, which was a lawyer, asked him a question, tempting him, and saying, Master, which is the great commandment in the law? Jesus said unto him, Thou shalt love the Lord thy God (thysel/aka "the kingdom of God thats within") with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment.

And the second is like unto it, Thou shalt love thy neighbour (who has their own independent kingdom of God that's within) as thysel. On these two commandments hang all the law and the prophets. [Matthew 22:35-40]

[ ■ See also Mark 12:28-31 & Luke 10:25-28]

..the "golden rule" .. centralizes upon "free-will", that is.. that everyone [as an independent individual] should be permitted the unabated free-will to pursue "happiness".. [according to the dictates of thine own heart/conscious.. whatever feels right] .. just so any given choice of free-will doesn't infringe upon the free-will happiness choice of another [Independent] individual.

..the meaning of life is "happiness" & we find our happiness in doing what we want to do, not in doing what others force/expect us to do.

[  see HR 1:6-13 .. thereabouts .. regarding happiness]

[View here](#) [alternate link below]

[View here](#)

EVERYTHING we do is in pursuit of happiness.

..creating "a heaven upon earth" .. for everyone equally is the ultimate Goal of this work, fulfilling the purpose of our existence.. [that we ALL may have a GOOD dream]

..we ALL seek Utopia. (Because that's what our heavenly father/God/true self is currently experiencing) .. and we SHOULD BE also ..

p.s. for future reference "true self" = "kingdom of God that's within" according to how the mwaw presents the Real Truth.

Acts of desperation & violence is the end result of one being deprived of the free-will to pursue happiness.. consider the following:

---

[As quoted from the source]

"Nothing is more important to human reality and human nature than the ability of a person to do what that person wants to do"

"Free will is what makes humans different from all other animals. Humans seek their own individual personal happiness. If this search is impeded by something, then this "something" irritates the person, causing the opposite of peace (which is strife and conflict)"

"When considered correctly and honestly, all strife and conflict occur when a person is unable to do what the person wants in the pursuit of individual happiness. So, in order for the Earth experience to provide a person with success at finding happiness, nothing can exist that impedes human free will"

"If we truly understood Free Will, we would NEVER give our personal opinion to another. We would never think that our understanding of things is greater or more important than another's. How could we ever call a person a fool? Because if we do, it will lead that person to fight us, and possibly kill us"

"Some argue that people cannot be allowed to exercise unconditional free will because the unimpeded exercising thereof might hinder the free will of another. This is true and is the

purpose for the right laws and the right form of government" -RI [as outlined @ [www.humanityparty.com](http://www.humanityparty.com)]

"The fullness of the everlasting gospel of Jesus Christ" .. in a nutshell .. is all about treating others correctly.

TSP 19:63 "Therefore, my beloved children, love one another and do good to each other .. It mattereth to [the Lord] how you treat one another, and this is the only thing that mattereth unto him"

I've learned all these things through this work.

..this work has the potential to FULFILL the teachings of Jesus Christ IN VERY DEED, .. if only the people of this world would consider it.. & heed Jesus's words:

■ Scripture: "But BE DOERS OF THE WORD, and not hearers only, deceiving yourselves"

[James 1:22]

■ Scripture: "And BEING MADE PERFECT, he [Christ] became the author of eternal salvation UNTO ALL THEM THAT OBEY HIM" [Hebrews 5:9]

■ Scripture: "BE YE THEREFORE PERFECT, even as your Father which is in heaven is perfect" [Matthew 5:48]

..being perfect demands impartiality [equity] because "God is no respecter of persons" [Acts 10:34]

■ Scripture: ..THAT YE MAY BE CHILDREN OF YOUR FATHER WHICH IS IN HEAVEN: for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust. [Matthew 5:45]

..this work provides for everyone equally.

The "fruit" of this work is good.

■ Scripture: "Beware of false prophets, who come to you in sheep's clothing, but inwardly they are ravenous wolves. You will know them by their fruits. Do men gather grapes from thornbushes or figs from thistles? Even so, every good tree bears good fruit, but a bad tree bears bad fruit. A good tree cannot bear bad fruit, nor can a bad tree bear good fruit. Every tree that does not bear good fruit is cut down and thrown into the fire. Therefore by their fruits you will know them" [Matthew 7:15-20]

As you can see.. this work produces good fruit .. it [not only provides the solution to ending worldwide poverty & inequality] .. but it made me into an all-around better person .. so how could it be evil?

For what "good work" do we toss stones?

anyways.. I've always anticipated ..that someone would've asked me about religion or politics.. [since my enlightenment.. through this work] perhaps someone this world values? .. (who could gain ThumP some publicity)

..but no one ever asks my opinion & only an asshole shares/forces their thoughts upon another when nobody asked for it.

..the "REAL TRUTH" the mwaw presents?.. well, [for those who are desirous to learn & brave enough to indulge].. it spares NO ONE's opinion/emotions.. & angers many

the mwaw DOES NOT "agree to disagree" because "REAL TRUTH is REAL TRUTH" ..as opposed to what people believe to be true/have been taught since their birth..

..its been rather difficult for me to be aware of it.

..I've been reluctant to share it.

..But I will make an attempt [to touch upon it] through this posting.

the REAL TRUTH goes something like this:

because everyone's born into a different belief system/science/atheism etc. and/or has a different religion.. and BELIEVES they have the ONE TRUE FAITH.. the mwaw declares that "Everyone is right. Which makes everyone wrong.®" (A legally trademarked quote)

so I've smiled.. nodded my head in agreement, & strived to remain silent since my enlightenment whenever i've listened to the thoughts & opinions of others.

..I've deleted my social presence altogether.

..I've been quiet.

..I've been very quiet.. because visiting the profiles of others ..is entertaining the thoughts & opinions of others. (in respect).. Ex. you don't enter someone's personal space, cut them down [by disparaging their beliefs] & tell them how much you hate the decor.

..but if your reading my words & visiting my page.. you MUST BE inquiring to know MY thoughts & opinions.. (in respect) so I will take a moment to share them with you since your here inquiring.

If you don't like how I've designated my page, you have the option to block me and/or (quietly) return to yours, because I'm NOT asking for opinions.. because I've found [lasting] peace in what I've shared.

if studied.. with a broken heart & contrite spirit, with an open mind in all humility? THIS WORK IS UNDENIABLE in my opinion:

■ Scripture:

34 Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world:

35 For I was an hungred, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in:

36 Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me.

37 Then shall the righteous answer him, saying, Lord, when saw we thee an hungred, and fed thee? or thirsty, and gave thee drink?

38 When saw we thee a stranger, and took thee in? or naked, and clothed thee?

39 Or when saw we thee sick, or in prison, and came unto thee?

40 And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.

[See Matthew 25:31-46 for complete parable].. James 2:14-18 follows..

---

14 What doth it profit, my brethren, though a man say he hath faith, and have not works? can faith save him?

15 If a brother or sister be naked, and destitute of daily food,

16 And one of you say unto them, Depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit?

17 Even so faith, if it hath not works, is dead, being alone.

18 Yea, a man may say, Thou hast faith, and I have works: shew me thy faith without thy works, and I will shew thee my faith by my works.

---

■ Scripture: "And why call ye me, Lord, Lord, and do not the things which I say?" [Luke 6:46]

■ Scripture: "Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world" [James 1:27]

humanitarian efforts once brought me peace.

But Charity.. that aid's only a few of us.. no longer satisfies my desire when the solutions to the world's problems have been offered.. "to create a heaven upon earth" for everyone equally ..and not for just a few.

■ Scripture: "Your kingdom come. Your will be done ON EARTH as it is in heaven" [Matthew 6:10]

..conventional church efforts no longer satisfy.

..it's very clear to me now.

eliminate poverty and the need for charity both.

..my encounter with this work has greatly offended my family members.. (because it eradicates "religion") so for the sake of those who would be concerned for me, I've been inconspicuous (aside from [THumP's promotion](#) & voting for The Humanity Party on election day), therefore this posting is simply written by someone who sits along the sidelines and quietly observes.

Apocalypse in Greek means disclosure.. (so I've learned through the mwaw) therefore..

the "Battle of Armageddon" prophesied to take place in the latter days is taking place right now. it occurs in the "place" where our choices are "gathered together" ..in this quiet place, where the word of truth meets up with the word of the world—this is the battlefield—yes, we each are having our very own "Armageddon".. & the "battle" is fought in our conscience.

■ Scripture: For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. [Romans 8:5] ..For the flesh lusteth against the Spirit, and the Spirit against the flesh: and these are contrary the one to the other: so that ye cannot do the things that ye would. [Galatians 5:17]

"our lusts and worldly desires eventually overcome those things not of the world which [would] bring us happiness, i.e., forgiveness, love of enemies, etc." -666 book

■ Scripture: ..But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned. [1 Corinthians 2:14]

The natural man has been deemed "Lucifer" [through this work] ..an enemy of god - the inhumane part of each of each & every one of us.. [aka.. 'our pride & ego']

■ Scripture: For the natural man is an enemy to God [whose kingdom dwelleth within], and has been from the fall of Adam, and will be, forever and ever, unless he yields to the enticings of the Holy Spirit, and putteth off the natural man and becometh a saint through the atonement of Christ the Lord, and becometh as a child, submissive, meek, humble, patient, full of love, willing to submit to all things which the Lord seeth fit to inflict upon him, even as a child doth submit to his father. [Mosiah 3:19]

■ Scripture: And Jesus called a little child unto him, and set him in the midst of them and said, "Assuredly, I say to you, unless you are converted and become as little children, you will by no means enter the kingdom of heaven. [Matthew 18:2-3]

"Therefore, if [the battle is within &] our conscience "be" our guide, one need only look quietly within and around oneself to notice which side is winning the "Battle of Armageddon." One will soon recognize that those who are the most at "peace" and do not fight on the battlefield, are the few who love all others unconditionally according to the commandments of Christ."- 666 book

Note: (from a few gathered tidbits that I've stumbled across) see ..

We [the RI] hoped to have taught this lesson: that a true judge of whether a person is a true follower of Christ or not, is if the person acts and thinks like Jesus:

.. being a "Peaceable follower of Christ" .. judged by their "peaceable walk with the children of men." [See Moroni 7:3-5, 42-48 .. thereabouts]

"It was our hope that the Christians would judge their own life and what they do and think on how peaceably they walk with their fellow humans" .. that .. "a person will be judged solely on what the person did to help those in need ... on NOTHING MORE, and on NOTHING LESS" .. that .. "all there was to salvation is walking peaceably with everyone"

Some have been enlisted [to educate/smite our emotions.. with Real Truth] to propel this battle forward, I've won mine & I'm now recovering, I write inconspicuously (from the sidelines) simply out of boredom & a genuine concern for those who are suffering.

I've been following the books, journal posts, blog talk shows, YouTube, Facebook pages [of a few who share old postings] of the bro's & their True Messenger for many years.

the "Real Illuminati™" is a new web page & formal name that was given to those.. once referred to as "the bro's" these are those who claim to have been around from the beginning of time, who mentor our True Messenger.

The following scriptures have been used to convince the religious minded of this world that there are those among us "who shall tarry".. these have been around long enough "to know & know that they know".. the REAL TRUTH of all things.. hence, the solution.. to all the world's problems:

.."John the beloved" is one of them..

■ Scripture: "Jesus saith unto him, If I will that he [John] tarry till I come, what is that to thee? follow thou me. Then went this saying abroad among the brethren, that that disciple should not die: yet Jesus said not unto him, He shall not die; but, If I will that he tarry till I come, what is that to thee?"

[John 21:22-23]

..Then there's "The three Nephites"..

( ■ see 3 Nephi 28:1-12 below)

Nine of the twelve disciples desire and are promised an inheritance in Christ's kingdom when they die—The Three Nephites desire and are given power over death so as to remain on the earth until Jesus comes again—They are translated and see things not lawful to utter, and they are now ministering among men. About A.D. 34–35.

1 And it came to pass when Jesus had said these words, he spake unto his disciples, one by one, saying unto them: What is it that ye desire of me, after that I am gone to the Father?

2 And they all spake, save it were three, saying: We desire that after we have lived unto the age of man, that our ministry, wherein thou hast called us, may have an end, that we may speedily come unto thee in thy kingdom.

3 And he said unto them: Blessed are ye because ye desired this thing of me; therefore, after that ye are seventy and two years old ye shall come unto me in my kingdom; and with me ye shall find rest.

4 And when he had spoken unto them, he turned himself unto the three, and said unto them: What will ye that I should do unto you, when I am gone unto the Father?

5 And they sorrowed in their hearts, for they durst not speak unto him the thing which they desired.

6 And he said unto them: Behold, I know your thoughts, and ye have desired the thing which John, my beloved, who was with me in my ministry, before that I was lifted up by the Jews, desired of me.

7 Therefore, more blessed are ye, for ye shall never taste of death; but ye shall live to behold all the doings of the Father unto the children of men, even until all things shall be fulfilled according to the will of the Father, when I shall come in my glory with the powers of heaven.

8 And ye shall never endure the pains of death; but when I shall come in my glory ye shall be changed in the twinkling of an eye from mortality to immortality; and then shall ye be blessed in the kingdom of my Father.

9 And again, ye shall not have pain while ye shall dwell in the flesh, neither sorrow save it be for the sins of the world; and all this will I do because of the thing which ye have desired of me, for ye have desired that ye might bring the souls of men unto me, while the world shall stand.

10 And for this cause ye shall have fullness of joy; and ye shall sit down in the kingdom of my Father; yea, your joy shall be full, even as the Father hath given me fullness of joy; and ye shall be even as I am, and I am even as the Father; and the Father and I are one;

11 And the Holy Ghost beareth record of the Father and me; and the Father giveth the Holy Ghost unto the children of men, because of me.

12 And it came to pass that when Jesus had spoken these words, he touched every one of them with his finger save it were the three who were to tarry, and then he departed.

[www.realilluminati.org](http://www.realilluminati.org)

the "Real Illuminati™" speak with great intellect.. no one can confound their words.. it's been their True Messengers given task.. to dumb down their message.. so a little child could understand it, he's the one "like unto the son of man" .. their chosen (public) spokesperson who bears the double edge sword of REAL TRUTH, that cuts asunder, he hates what he's been called to do, hes called to offend [violate the royal law of human decency] ex. Loving your neighbor & enemies [as yourself] by "not doing to others that which would anger you if others did it to you.".. rather, he's [the only 1 who should be countering anothers beliefs] commissioned to disrupt people's lives with REAL TRUTH.

■ Scripture:

And in the midst of the seven candlesticks ONE LIKE UNTO THE SON OF MAN, clothed with a garment down to the foot, and girt about the paps with a golden girdle. His head and his hairs were white like wool, as white as snow; and his eyes were as a flame of fire; And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters.  
[Revelation 1:13-15]

..Their True Messenger has been referenced as being “one like unto the son of man” simply because of his message .. (our need of an overseer) .. & the sword that he bears.. because of it.

■ Scripture: "Think not that I am come to send peace on earth: I came not to send peace, but a sword. For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law. And a man's foes shall be they of his own household.." [Matthew 10:34-39]

..I present the following as a brief [MWAW] elaboration of Matthew 10:34-39: [in part]

34 Because of the things which shall come to pass because of the preaching of my gospel, some think not that I am come to send peace on earth as is promised by the Father; yea, they think that I came not to send peace, but a sword to divide them from their families.

35 They think this because the things which I have taught them set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law.

36 And a man's foes have become they of his own household. But I have not taught them anything that taketh them away from their families.

---

And TSP 50:45-49 [as an example of the MWAW's amazing power to expound upon the scriptures in clarity & completeness]:

45 Behold, the gospel which I have sent you forth to teach is a gospel of peace unto all that believe in me and keep the commandments of the Father. But this earth is not the kingdom of the Father, but the kingdom of the devil, who hath deceived the children of men and hath taken away the peace which their Father would give unto them if they would keep His commandments.

46 And I cannot bring peace to a kingdom that is not of the Father. Therefore, think not that I am come to send peace on earth, which is the kingdom of Satan; I came not to send peace, but a sword, even the sword of righteousness.

47 For I am come to teach unto the children who belongeth to the family of Satan, the gospel of the Father. And this gospel will set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law.

48 And because of the wickedness of the children of men, the foes of a man shall be they of his own household. But he that loveth his father or mother more than me is not worthy of me; and he

that loveth son or daughter more than me is not worthy of me. And he that taketh not his cross, which is the cross that I bear because of the wickedness of the children of men, and followeth after me, is not worthy of me.

49 For the world persecuteth me for that which I testify is wicked among men. And they want to kill me for that manner of life that I lived away from them, and which I could not find among them in the world and have peace. But he who seeketh to save his life in this world, even that he shall find peace in the kingdom of Satan, shall lose it. And he that loseth his life in this world for my sake shall find it in the kingdom of my Father.

43 Ye have heard that it hath been said, Thou shalt love thy neighbour, and hate thine enemy.

45 THAT YE MAY BE CHILDREN OF YOUR FATHER WHICH IS IN HEAVEN: for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust.

..And here's the corrected original Greek translation with the Plain and Precious words restored: as it's been presented through the TSP - [page 650] The Sealed Portion - The Final Testament of Jesus Christ

---

43 "Ye have heard that it hath been said of your leaders that ye shall love your neighbour who is like unto you and believeth as ye believe, and that ye should hate your enemy and cast him out from among you, even he that doth not believe as ye believe, that ye be not misled by the hand of an enemy"

44 "But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them who despitefully use you, and persecute you;"

45 "THAT YE MAY BECOME THE CHILDREN OF YOUR FATHER who is in heaven, who is no respecter of persons; for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust—all being His beloved children"

46 "For if ye love only them who love you, what reward have ye of your Father in heaven? Do not even the publicans do the same? And ye know that they are wicked; yet your Father loveth them still"

47 "And if ye salute your brethren only, what do ye more than the others who ye condemn as sinners? Do not even the publicans so salute only those who are their friends?"

48 "Behold, those things which were of old time, which were under the law that ye have been taught by your leaders, in me are all fulfilled. And for this reason hath the Father sent me to you, that ye might repent and do the works that I have commanded you to do, and follow the example that I have given unto you, that ye might, therefore, be commanded TO BE PERFECT IN THE LOVE THAT YE HAVE ONE FOR ANOTHER even as your Father which is in heaven hath a perfect love for you."

I've listened & understood.. "this to be the message" [everything I've written above] it's a perspective.. that has been written according to MY understanding, I have no hard feelings towards the bros nor their True Messenger. [Proverbs 19:11]

all the websites I've shared.. work in unison.

P.S. I'm not looking to persuade or dispute any of these things with anyone, I've shared my thoughts & provided the links.. for others to investigate & determine what's REAL TRUTH for themselves, I will support the reader in making this determination.. for themselves.

closing statement: [from my past experience with following this work] ..if any of the links I've shared above in this posting are taken down, there non-functional, there redirecting you or [in

most cases] there [periodically] password protected, well.. then that's a clear sign that the religious/biased people of this world have been delivered to "the hardness of their hearts and the blindness of their minds"

The "wrath of God" [according to the mwaw] is non-intervention, when our True self/God has abandoned us to our [mortal incarnate] carnal nature when we're given no further light of Real Truth.

Consider what the Bros (Real Illuminati™) have done to influence change, with whom they have spoken, the countless people they have influenced behind the scenes, especially those with a voice to which people listen, whether this listening is pretended as education or entertainment. ...

We warned them about what the "wrath of God" means.. the Bros no longer intervening behind the scenes to do everything they can to influence good in humanity. ..

■ Scripture: "For the time cometh, saith the Lamb of God, that I will work a great and a marvelous work among the children of men; a work which shall be everlasting, either on the one hand or on the other—either to the convincing of them unto peace and life eternal, or unto the deliverance of them to the hardness of their hearts and the blindness of their minds unto their being brought down into captivity, and also into destruction, both temporally and spiritually, according to the captivity of the devil, of which I have spoken" [1 Nephi 14:7]

closing statement: [for my immediate family members].. be it offensive or not, I've done the very best I can.. to explain why this work is something that I can't just ignore.. & walk away from.. & still remain happy in this life.

Note: just to be clear.. there's no worries, I'm finding my happiness again.. I wrote what I did without forethought.. [as the words came to me.. i jotted them down] then I spent much time editing [according to what felt appropriate] "as an honest reflection of all that I've experienced with encountering this work"..

I express myself best when I write. [But only after I've done much editing]

My [vocal] speech is pitiful.

What I've written above feels appropriate.. for the reader to be able to understand [me].. ex. where I've come from.. to where I've ended up [and all in-between]

now If anyone asks me about my experience?.. [with my feeble recollection of things] I will direct them here.. so they can view my story.. so that there's no more confusion, concern or worries about my encounter with this work.

If your Concerned for my eternal salvation? [And my children's] .. there's absolutely NO worries ..aside from the improvements that i've made to my character.. [me gaining a better understanding of the gospel message & supporting the humanity party & treating others better as a result of it] my beliefs haven't really changed all that much.. have they?

Aside from me doubting my faith in God altogether [which experience once caused me to suffer EXTREME panic attacks ..the absolute WORST EXPERIENCE I've ever encountered in all my life], Nothing has impacted my emotions quite like this work.. [www.realilluminati.org](http://www.realilluminati.org) .. I've never encountered anything that's quite like it .. truly the bro's & their True Messenger have [brought my attention to &] taught me the true meaning of the word "cognitive dissonance".

**COGNITIVE DISSONANCE**

**THIS IS WHY PEOPLE GET UPSET WHEN THEIR BELIEFS ARE CHALLENGED**

The Free Thought  
PROJECT.COM

**A MENTAL CONFLICT OCCURS WHEN BELIEFS ARE CONTRADICTED BY NEW INFORMATION. THIS CONFLICT ACTIVATES AREAS OF THE BRAIN INVOLVED IN PERSONAL IDENTITY AND EMOTIONAL RESPONSE TO THREATS. THE BRAIN'S ALARMS GO OFF WHEN A PERSON FEELS THREATENED ON A DEEPLY PERSONAL AND EMOTIONAL LEVEL CAUSING THEM TO SHUT DOWN AND DISREGARD ANY RATIONAL EVIDENCE THAT CONTRADICTS WHAT THEY PREVIOUSLY REGARDED AS 'TRUTH'**

this is so true!.. sooo true!! But ..atheism? ..i'm gonna straightaway reject.. [I've developed a cognitive filter against it] ..because IT OFFERS ME NO HOPE, but i would certainly consider [hear out/ponder] an ALTERNATIVE [view point/perspective] HOPE in this life/our imminent death.. [to what I've been raised to believe in] ..why not?.. just so I RETAIN MY [A] HOPE.

# Cognitive Dissonance

Sometimes people hold a core belief that is very strong. When they are presented with evidence that works against that belief, the new evidence cannot be accepted. It would create a feeling that is extremely uncomfortable, called cognitive dissonance. And because it is so important to protect the core belief, they will rationalise, ignore and even deny anything that doesn't fit in with the core belief.

- Frantz Fanon

"cognitive filters" [as mentioned in my story] are Biases that influence a person to selectively accept or reject ideas and impressions on the basis of their conformance with the currently held assumptions and beliefs. In situations of uncertainty, these biases tend to create a feeling of certainty that is higher than what the circumstances warrant.

A “cognitive paradigm” is a person’s most fundamental core beliefs. These core beliefs are the root cause that affect a person’s attitude and other beliefs throughout the person’s life. These paradigms affect a person’s immediate thoughts. A person’s cognitive paradigm causes the person to be happy and is responsible for a person’s emotional disturbances and distress. The scientific community created the term “cognitive paradigm” and has been using it for many years in researching how humans process information from the environment to form the thought that precedes the way a person acts. -RI

For those who REALLY CARE to KNOW ME.. rather.. who I've developed into [how my brains been hard-wired to think] during this lifetime.. [given the life situation I was born into.. namely a very sheltered & pampered .. "lax - easy going" life of "Christianity".. which didn't seem to exemplify Luke 13:24] .. I present the following songs:
